## Grant Recipient Highlight

### Newnan Housing Authority: Safe & Secure Housing

June 26 Alan Jackson "Where I Come From" Concert sponsors and donors helped to provide aid to senior age tornado survivors moving into temporary housing with the Newnan Housing Authority. The grant awarded 6 movie trailers to be relocated in Coweta. We're proud to be part of the non-profit collaborative working to move our tornado impacted community members toward restoration. Newnan Housing Authority, Coweta County Foundation, RiverLife, Bridging The Gap, Councilwoman Cynthia E. Jenkins & so many others helped make this first step on the way to recovery possible for this group of seniors.
