

## *The first steps toward recovery... Summer of 2021*

Since the March 26 tornado, individuals and organizations in our community, and from around our state and nation, have responded with help for Coweta citizens as they seek relief and recovery from this disaster. Local volunteers, churches, governments, and charitable agencies have worked hard to carry out the needed response. The Coweta Community Foundation and its partners are proud to be a part of these efforts.

Since March 30, CCF has received approximately \$620,000 for the purposes of Tornado Disaster Relief and Recovery from individual donors and \$1.5 million from Alan Jackson's June 26 "Where I Come From" concert. Funds disbursed so far toward relief and recovery grants for individuals and local 501(c)(3) agencies include:

- \$150,000 was directed for the Hope Has No Deductible relief efforts program for individual grants for tornado victims, including \$125,000 disbursed to over 250 households to help with homeowner, renter, and vehicle insurance deductible relief.
- \$25,000 has been directed toward rent support for those seeking long-term housing. This program has been directed toward One Roof Ecumenical Outreach for ongoing administration.
- \$250,000 was directed toward CCF's initial agency grant program, which has been awarded to 17 local 501(c)(3) agencies through 28 grants made so far to provide for ongoing relief efforts for Coweta citizens affected by the tornado. Just over \$229,000 in total grant allocations went toward grants made to One Roof Ecumenical Outreach, Hope Global, St. Vincent de Paul, Newnan City Church, the Boys & Girls Club, Coweta STEM, the Newnan Theatre Company, Community Action for Improvement, Elevate Coweta Students, Family Patterns Matter, Foundation Church, I-58 Mission, Meals on Wheels of Coweta, RiverLife, Walk of Faith, Summit Family YMCA, and the Yeager Road Community Resource Center.
